

## WHO ARE WE?

Mews is a highly **flexible, feature-rich, cloud-based**, property management system. We bring together all the strengths of cloud technology and value-added features to simplify hotel operations, helping you to focus on guest experience and maximize every opportunity to boost revenue.

## WHY CHOOSE MEWS?

Everything Mews does reflects our desire to transform how hotels operate and serve their guests. We build elegant, all-in-one technology that enhances human capabilities. We have a bold vision and intend to transform the world of hospitality, one hotel at a time.

Mews was voted the best Property Management System (PMS) for hotels and hostels at the 2020 HotelTechAwards by hoteliers and industry experts.

# THE PMS FOR MODERN HOTELIERS

The Mews logo consists of a stylized icon of a building with a flag-like shape on top, followed by the word "MEWS" in a bold, uppercase, sans-serif font. The background of the entire page is a black and white photograph of a city skyline, featuring a prominent skyscraper (the Empire State Building) and several older brick buildings in the foreground.
